## School Uniform Guidelines

Our uniform is a visual symbol of our pride in the school community to which we belong. We take pride in our pupils appearance and it is frequently stressed to pupils that wearing the correct uniform is essential – within and outside the school, on the way to school and on the way home at the end of the day.

Parents are kindly requested to support the school by ensuring that pupils do not wear 'high fashion' items, which are unsuitable for every day school wear. **(These include tight trousers such as leggings/jeggings, short skirts and jean style or denim trousers.)**

The 'School Uniform List' below gives clear guidelines regarding acceptable dress:

In addition to the above guidelines the 6<sup>th</sup> form uniform also includes the official school black blazer.

Acceptable trousers and skirt shown below:

Apart from PE and Drama lessons, **trainers are not allowed to be worn** except for informal games during lunchtime.

## APPEARANCE

In order to ensure the highest standards of appearance, the school does not allow make-up nor coloured nail varnish and only hair of natural colours is permitted. The school does not permit shaved patterns in the hair.

**If a pupil wears make-up or coloured nail varnish to school, they will be required to remove it at the start of the day.** A refusal to conform will result in the school withdrawing the pupil from timetabled lessons and providing work under supervision until the matter is resolved. The school will also follow the guidelines for “withdrawal from lessons” if a pupil’s hair colour is unacceptable.

**For practical health and safety reasons, jewellery and ear-rings are not allowed in school.**

If a pupil is wearing jewellery, he/she will be required to deposit the item in the school office for safe keeping until the end of the school day. We cannot offer compensation for jewellery which is lost in school.

**Should your child wish to have their ears pierced, we kindly ask you to ensure that this happens at the start of the summer holidays to allow plenty of time for the piercings to heal.**
