

Annwyl Riant / Gwarcheidwad

Rwyf wedi bod yn monitro llif y traffig ar ddechrau a diwedd y diwrnod ysgol a hoffwn eich hatgoffa / eich cynghori am y canlynol:

- Cyfyngiad cyflymder y campws yw 5mya.
- Prif bwynt gollwng disgyblion yw'r bae bysiau nesaf at y cylch troi. Yn aml, mae angen i fysiau droi 3 phwynt yn y cylch troi a gofynnwn i chi beidio â gollwng yn yr ardal hon os oes bws yno'n barod.
- Mae rhai rhieni yn gollwng eu plant ar frig y safle yn y Ganolfan Dysgu Gydol Oes. Atgoffir y rhieni hyn i beidio â gollwng eu plant ym maes parcio'r Feithrinfa na'r Athrawon Cynradd. Os gwelwch yn dda gollyngwch eich plant yn hanner uchaf maes parcio'r Ganolfan Dysgu Gydol Oes.
- Peidiwch â gollwng eich plant cyn 08:15. Rydym yn ceisio cadw'r ceir a'r bysiau ar wahân cymaint ag y gallwn.
- Os byddwch yn codi eich plant o'r ysgol, peidiwch â defnyddio maes parcio'r Ganolfan Dysgu Gydol Oes gan fod hwn ar gyfer defnyddwyr y cyfleuster hwnnw.

Diolch am eich cydweithrediad i gadw Garth Olwg yn gampws diogel i gerddwyr a cherbydau.

Dear Parent/Guardian

I have been monitoring the flow of traffic at the beginning and end of the school day and would like to remind / advise you of the following:

- The campus speed limit is 5mph.
- The main drop off point is in the designated campus bus bays. Buses often need to do a 3 point turn in the bus bays and we ask you kindly not to allow any students to alight from your vehicle in this area if a bus is already present.
- Some parents allow students to alight at the top of the site in the Life Long Learning Centre. You are reminded not to allow any students to alight in either the Day Nursery or Primary Teachers' car park. Please leave your children at the top half of the LLC car park.
- Please do not drop off any students before 08:15. We are trying to separate cars and buses as far as possible.
- If any students are picked up from school please do not use the LLC car park as this is for users of that facility.

Thank you for your co-operation in keeping Garth Olwg a safe campus for pedestrians and vehicles.
